“I AM RESPONSIBLE FOR OUR AMERICAN CUSTOMERS, WHO ARE UNDER SOME OF THE STRICTEST LEGISLATION, SO IT IS VERY IMPORTANT TO ME THAT PRECIOSA IS ABLE TO OFFER THESE KINDS OF PRODUCTS.”

Karolína Mejsnarová
Sales Executive, USA
15 years at Preciosa

The United States is one of the most sensitive markets with regard to legislation and protection of human health and the environment. Red Velvet is our next step toward meeting their needs. Environmental responsibility applies to companies and NGO's, but also to individuals. At the office, we always recycle plastics, paper and other mixed recyclable materials.
